SEAT BELTS

Stylish and strong woven nylon belts are built to SAE and GSA specifications for front and rear seats. Instantly releasable with one hand yet capable of withstanding 5000 pounds of sudden pressure. Choose from a selection of seven colors to complement your Mustang's upholstery. A must for safety and peace of mind.

SEAT BELT RETRACTORS

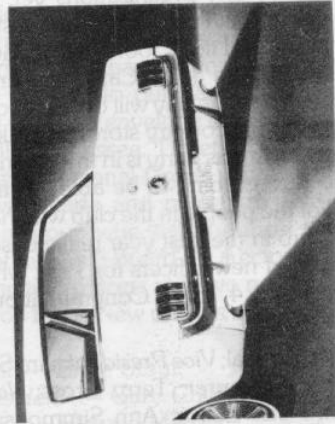

These handy retractors put seat belts at your fingertips for easy accessibility. Designed to keep seat belts clean, neat, and out of the way.

SPOTLIGHT

This high quality, long-distance, sealed beam spotlight reaches over 1500 feet in clear weather. It features an easy-aim control head which rotates 360° and is adjusted from the inside. Heavily chrome-plated for beauty and long life.

Part No. CSZZ-13313-A

Part No. CSZZ-15499-A

BACK-UP LIGHTS

These twin lamp back-up lights are especially designed to harmonize with Mustang styling and provide a valuable safety feature. Whenever the car is in reverse, they illuminate the rear area for improved rear visibility and serve as a warning to other drivers that you are backing up.

WINDSHIELD WASHER

Provides better, safer visibility in all kinds of weather—the whole year around. A press of the foot pedal sprays twin jets of water or solvent on the windshield to make it easy for the wipers to clean away dirt, snow or road splash.
