

CAR OF THE MONTH

CAR OF THE MONTH: 1965 Mustang 2+2 Fastback

OWNED BY: Max Epps
Church Hill, Tennessee

After becoming interested in the Mustang Club of America and the First Tennessee Regional Group in 1976, I began looking for a good, original Mustang.

A friend of mine had this car and I traded for it in June of 1977. The color is white (original paint), 225 h.p. engine, automatic transmission, power steering, white Pony interior, Rally Pac and console.

I drove the car to the Grand National Meet at Stone Mountain in 1977 and the car placed second. The car has placed first at the Eastern National Meet in Kingsport, Tennessee in 1978, and second at the Eastern National Meet in Chattanooga, Tennessee in 1979.

My wife, Bernice, and I are very proud of this car and have since purchased a 1966 GT convertible.
