

Original Firestones for Mustangs

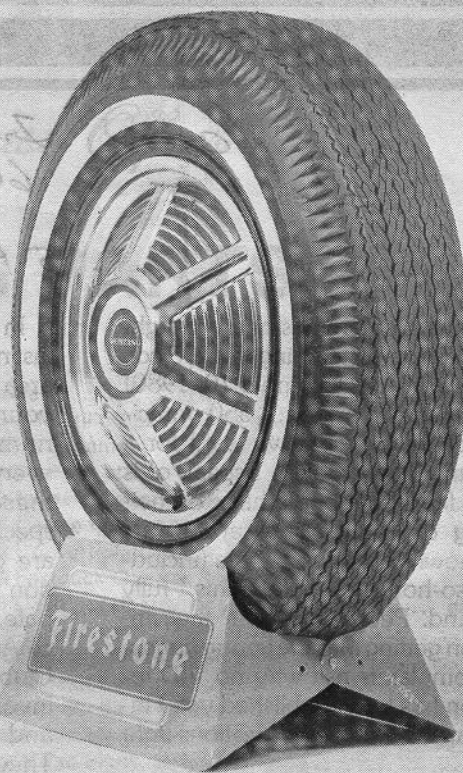

The latest addition to Lucas Automotive's long line of original tires for vintage cars should please Mustang owners concerned about the authentic restoration of their Mustangs.

In an exclusive agreement with Firestone, Lucas is now marketing Firestone's 6.95 x 14 Deluxe Champion for early Mustangs. The tires are produced from the original Firestone molds so the markings, tread pattern and size are all original. The tires are made of four-ply rayon construction, tubeless and with a 7/8" whitewall.

Lucas Automotive, an industry leader in marketing new tires for vintage cars, has outlets in Long Beach, California, and Springfield, Ohio. A competitive program for dealers is available.
