

PRESENTS

VENTILATED SEAT CUSHION

Helps you to keep cool during the hottest, stickiest days by allowing free-flow air circulation. The open-mesh fibre and spring construction provide welcome extra comfort while you drive. Available in red, blue, green and charcoal.

Basic No. 19B501

POWER BRAKES

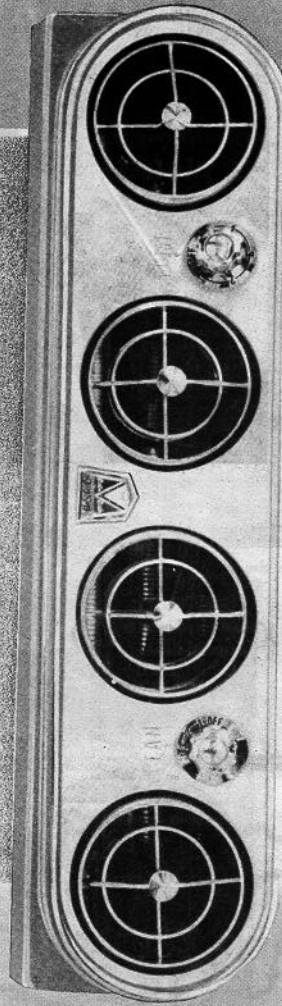

Designed to give swifter, surer stops with less pedal pressure. The pedal is installed at the correct height for quick pivoting from accelerator to brake. A real assist in stop and go driving.

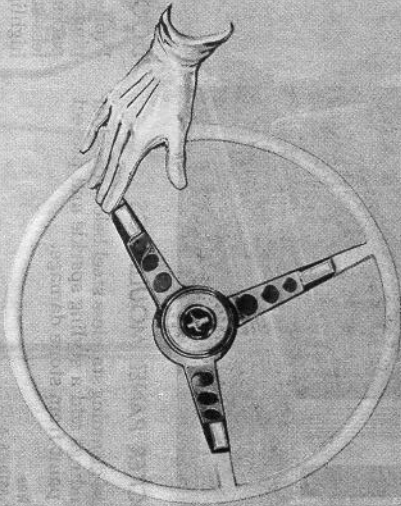

Part No. C5ZZ-2A091-A

FORD AIR CONDITIONER

Provides quick refrigerated cooling and removes dust, moisture and pollen from the air. Enables driver and passengers alike to keep cool and fresh throughout torrid summer weather. Simple dial controls regulate the quiet 3-speed blower and temperature settings.

Part Nos.
C5ZZ-19700-A (6 Cyl.) C5ZZ-19700-B (8 Cyl.)

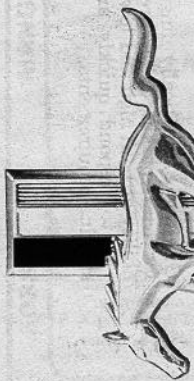

POWER STEERING

Gives you practically finger-touch control for easy parking plus greater maneuverability at both high and low speeds. Enables you to respond quickly and easily to all steering requirements.

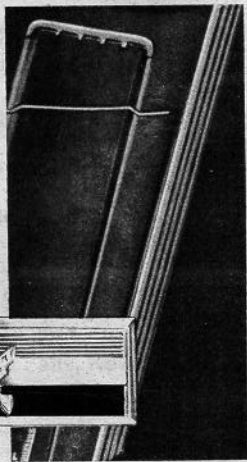

Basic No. 3A634

Mustang Quality

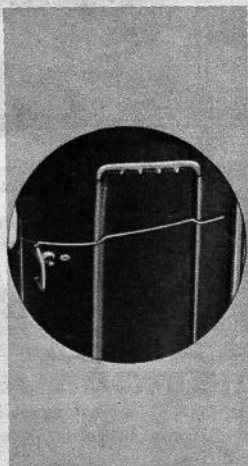

Accessories

ROCKER PANEL MOULDINGS

These gleaming stainless steel below-the-door mouldings add a styling sparkle and protect the paint from stone damage.

Part Nos.
C5ZZ-6510176-A
C5ZZ-6510177-A

DOOR EDGE GUARDS

Protect the finish of car doors against chipping and banging and the other hazards of parking in tight spaces. These snap-on stainless-steel door edge guards also add a subtle highlight to the beauty of your Mustang.

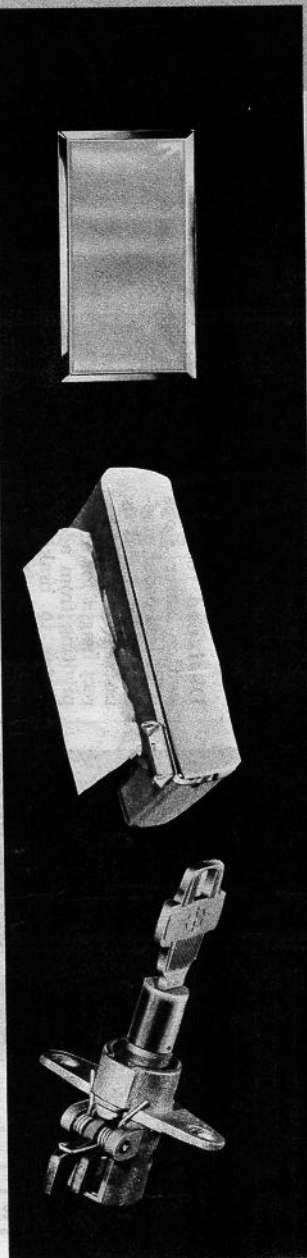

Part No. C5ZZ-6520910-A

REMOTE CONTROL TRUNK RELEASE

Enables you to unlock your trunk from the driver's seat with just a flip of the switch conveniently installed on the inside near your left hand.

Part No. C4AZ-62432A00-A

GLOVE BOX AND CONSOLE LOCK

This sturdily constructed tumbler lock protects your valuables at all times. Fits either glove compartment or console. Comes with two keys.

Part No. C4DZ-6206081-A

TISSUE DISPENSER

A good-looking, practical convenience for any car. The chrome plated dispenser pivots from beneath the dash for easy reach. Any standard size pop-up tissue box will fit.

Part No. C3RZ-19A549-A

LICENSE PLATE FRAME

Handsome frame of anodized aluminum to protect your plates for lasting beauty. Frame bolts securely to the car to inhibit loss.

Part No. C2AZ-17A387-A
