

Left is a 1971 convertible owned by Kevin O'Keefe of East Hanover, New Jersey. This is only one of Kevin's two 1971 convertibles and is white with a black interior. Kevin plans to put an aftermarket manifold and carburetor on its 302 over the winter. On the right is Mike Grentus' 1968 GT Coupe. This is Mike's third car, all of them Mustangs, and it is equipped with a number of performance modification. Mike works for Ed Carney Ford in East Hanover.

This straight 1969 fastback is the proud possession of Mike Wojtowicz of Tonawanda, New York, a suburb of Buffalo. He is the third owner, having purchased it in May of 1974 for \$625 with 62,423 miles on it. It now has 121,172 miles and has been thoroughly refurbished. Mike wanted us to run his car "because everyone knows what Buffalo winters can do to cars!"

A lovely 1965 convertible owned by Ray T. Williers of Tampa, Florida. Ray was given this car by his son after having had heart surgery and, in his own words, he found "out for the first time that I could, with my own hands, restore a piece of junk into a thing of beauty." That it is, Ray, that it is.
