NEW PRODUCTS:

80/20 Original Style Carpet
Made of full 25 ounce 80/20 rayon/nylon combination material, the same material used in the early models.

MUSTANG HEEL PADS:

Produced from plastisol compound in the original Mustang Molds and as close to .100 point as can be made.

MANUFACTURER'S STATEMENT:

Auto Custom Carpets manufactures only authentic replacement molded carpet for your car. All of our carpet is professionally press molded, featuring one piece contoured sections in either 80/20 rayon/nylon loop or cut pile, with absolutely no sewn seams. Auto Custom Carpets are guaranteed to look and fit like the original.

- The finest MUSTANG molded carpet anywhere
- We guarantee that you haven't seen a MUSTANG carpet that will compare with ours
- Our tooling incorporates the latest and most advanced innovations in carpet molding
- All carpets molded and trimmed to fit your car just like the originals—Perfect fit means easy installation
- Installation experience not necessary with our carpet—Perfect results everytime
- We'll precut dimmer switch hole, and gear selector if you prefer
- OEM quality, fit and appearance
- Full cut 30 oz. 1/2 inch underlay pad bonded to carpet
- Correct heel and toe pads
- Color matched serged edges
- Most all colors available
- We offer fastbacks with correct rear quarter cutouts, in the original fastback trimline and serged same as the originals
- We offer the folddown carpet in a diecut package which includes the small corner panels with serged edges. Each panel is diecut for precision fit and can be installed in minutes. No cutting or fitting required.
- Fastback carpets are available with or without folddown package. Folddown carpets are also available uncut.
- Custom molding with plush or cut pile in your choice of materials and colors
