

# Tell 'em why you love your baby!

Share the inside story on your "special interest" car, truck, or van with other car lovers. AutoCrest, the one-of-a-kind custom-designed window crest, will answer all the questions that everybody always asks. You choose the details — such as, make, model, year, engine, transmission,

special equipment, awards won — whatever makes you proud of your wheels! AutoCrest tells it all in crisp, black print on a rich, beige background with a metallic gold border. Nobody but AutoCrest can offer you so personalized a product at so reasonable a price.

## 1967 CORVETTE COUPE

Engine: 427 Cubic Inch  
390 Horsepower

1967 is the last year that Chevrolet ever manufactured a Corvette coupe. The air-conditioning, power steering, and power brake options, combined with the 427 cubic inch engine, make this car special. The car is completely stock in every detail.
