

MUSTANG CLUB OF AMERICA

PRESENTS

3RD ANNUAL

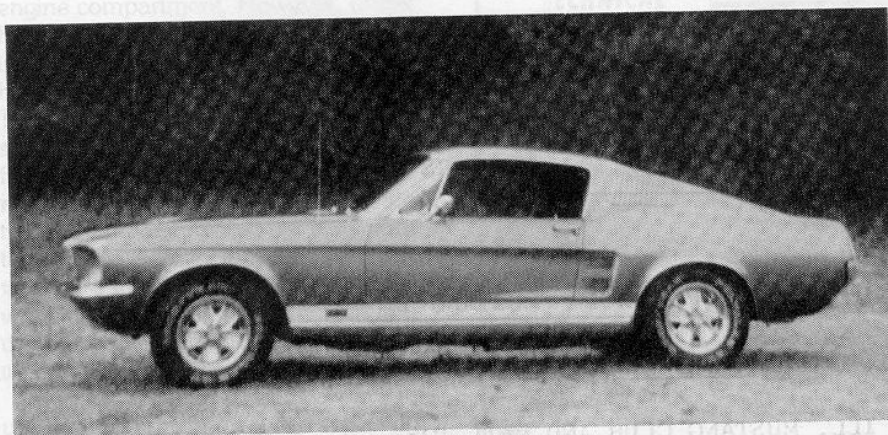

MUSTANG SHOW AND SWAP MEET

NORTHGATE MALL in Decatur, Illinois

1967 convertible owned by Jim Pechota of Waterloo, Iowa. This member is a true blue Mustang, Ford Corporate blue, that is. This is his third 'Stang and he works at Honowalt Ford in Waterloo. Don't try to sell this man a Chevy!

Want to show your steed? Send a black and white print (not Polaroid!) and enough information to write a small caption to Mustang Times, P.O. Box 47262, Doraville, Georgia 30362. Bridles and/or saddles are optional!

1967 GT 2+2 owned by Rob Ruick of Granby, Connecticut. Rob has owned this car since he was in high school (he now teaches high school!) and he has modified it subtly to his own tastes. It is a bit unusual in having a console in a black standard interior. His 289-4V is teamed with a 3.00:1 limited slip rear axle, which must make for an economical, yet potent, performer.
