

Here They Come!

1965-1966 MUSTANG DOOR EDGE GUARD KITS

Improve the looks of your favorite Mustang and protect that valuable paint job from nicks and scrapes with a new pair of door edge guards. These are not cheap plastic guards or so-so reproductions, but high quality stainless steel guards produced exclusively for us by the original manufacturer from the original tooling. They cannot be told from NOS — except for their new packages. Order today and save!
