

OHIO MUSTANG CONNECTION

YOUR ONE STOP RESTORATION FACILITY!

The Ohio Mustang Connection began in 1970 when Don Perry started restoring a couple of Mustangs for his sons. To get good parts to use, he had to buy so many more Mustangs that in a short time he had his two car garage, his yard, even his house full of Mustang parts.

Other Mustang enthusiasts bought or traded Perry for parts. As he had a full-time job, Perry could only satisfy his hobby on weekends. But when he retired from Western Electric after twenty years' service, Perry's part-time hobby turned into a full-time enjoyable job. He even recruited his wife, Nancy, and his son-in-law into the force and, since then, has added three employees.

Ohio Mustang Connection has its own shop at 12981 National Road in Pataskala, Ohio, where the company is billed as "the most experienced in Mustang business in the Columbus area."

In the last five years, Don and Nancy Perry have traveled all over the Northern, Eastern and Southern part of the United States attending car shows and swap meets. They say that they have found out, to no surprise, that Mustang People are the greatest in the world!

The Perrys carry a large selection of N.O.S., repro parts and good used parts. Over the years, they have also collected some "hard to find goodies." They have in-stock quality carpet, upholstery and all interior trim parts.

Apart from the business, there is a body shop where restoration work is done for customers and on the Perrys' own cars.

"I usually buy at least two or three of the little jewels a week," smiles Perry, "some to restore, some to part out. I have approximately 150 Mustangs — 1964½ to '73 for parting out and restoration. And getting more all the time!

"We ship UPS and truck freight," Perry adds, "just give me a call at (614) 927-6078 if I can be of any assistance. If I don't know the answer, I'll find out."

**"Before and After" By
Ohio Mustang Connection**

Here's a recent restoration job by Ohio Mustang Connection. This newly restored 1964½ beauty is poppy red with white interior and white convertible top. Vehicle warranty #5F08U207051. Data plate #76-A-3-46-22G-32-3-1.
