GHOSTS FROM THE PAST: Great Pumpkin Rally, 1980

The Wisconsin Early Mustangers

Hello, fellow Mustangers! It's been a while since we've written in, so here's a letter to tell you what our club's been up to and let you know our club is alive and "kicking" — as a matter of fact, we're almost up to 80 members.

The only word I can use to describe our club's past months is BUSY!

Back in May, we took our Mustang caravan to Dearborn, Michigan for a tour of the Ford Museum. Although it rained all

three days, we still managed to have a good time — lots of eating, as usual.

Some of the people that weren't able to make the trip attended the Shelby Show at Schwister Ford to represent our club. Publicity is what makes the club grow.

We participated in two parades and were welcomed gladly by the people in those towns. Refreshments for our thirsty horses were available after the parade.

We held our First Club Road Ralley which taught us that a fast car isn't everything. A good sense of direction and a "keen eye" are what makes you a winner. It was a lot of fun, and plans are in the making for another one in early Spring.

We attended the First Annual Joint Club Picnic sponsored by the Early Ford V-8 Club. Although they beat us at volleyball, we beat them with club enthusiasm — sixteen Mustangs to five Early Fords.

We also held our Second Annual Club Picnic. There we ate and drank AND practiced volleyball so we can win at the Joint Club Picnic next year.

To let the existence of our club be known, some of our members attended other meets in this area over the summer: Car Craft Magazine Street Machine Nationals, Madison Street Machine Nationals, Elkhart Lake Shelby Show, Hornburg Ford Shelby Show and Active America of Wheels. As usual, we were always ready to recruit a new member here and there.

Towards the end of August, we took an over-niter trip up to Dunbar, Wisconsin, with a stop at the beautiful Goodman Park. We all had a great time as we galloped across the country-side. Being that we like to show off our cars, the attention that we received from the people in the area made it even greater.

Our last trip of the season, and our biggest group gathering (seventeen cars), was up to Door County-Algoma in the middle of October. Although it rained as usual, it was really a sight to see. To warm our cold and wet bones, we stopped to tour two wineries. Our club is a true "connoisseur" of wine (and food), and it passed with "flying colors."

Now that the northern cold weather is upon us, our horses have been bedded down for the winter. We're already discussing plans for next year's activities, such as our second Road Ralley, Club Dinner, a few more over-the-road trips and, at last, our first Car Show. We don't want to waste any precious time that could be spent showing off our "ponies."

In closing, I'll steal the words of our club president, Dick Doria, and say "Keep on 'Stangin'."

Gulf Coast Regional Mustang Club

The Gulf Coast Regional held election of 1982 officers with the follow-

ing results: Paul McClain, president; Ralph Thacker, vice president; David Walters, national director; Vivian McClain, secretary-treasurer.

The outgoing president, Bob McNeal, and vice-president, Jim Salter, were two of our founding fathers who organized our Chapter in February 1980 and have had the leadership responsibilities since that date.

Our Club is very grateful and lucky to have the dedicated support of Bob and Jim, and we do appreciate their hard work and guidance. Since they have done such an outstanding job, you can bet they will continue to be deeply involved behind the scenes of future activities.

Speaking of future activities, our Third Annual Gulf Coast Region Mustang Round-Up is beginning to take shape. The show is scheduled for March 20, 1982, Holiday Inn-North, Highway 29, Pensacola, Fla. We are expecting 100 cars and will give away a 1966 Mustang convertible (6 cylinder-automatic).

This is probably the first show of the '82 season, so get out your show calendar and mark the date. We will have our usual Hospitality Party on the evening of March 19 for those who arrive before the show date.
