

“Something for Everyone”

Music City Regional Group

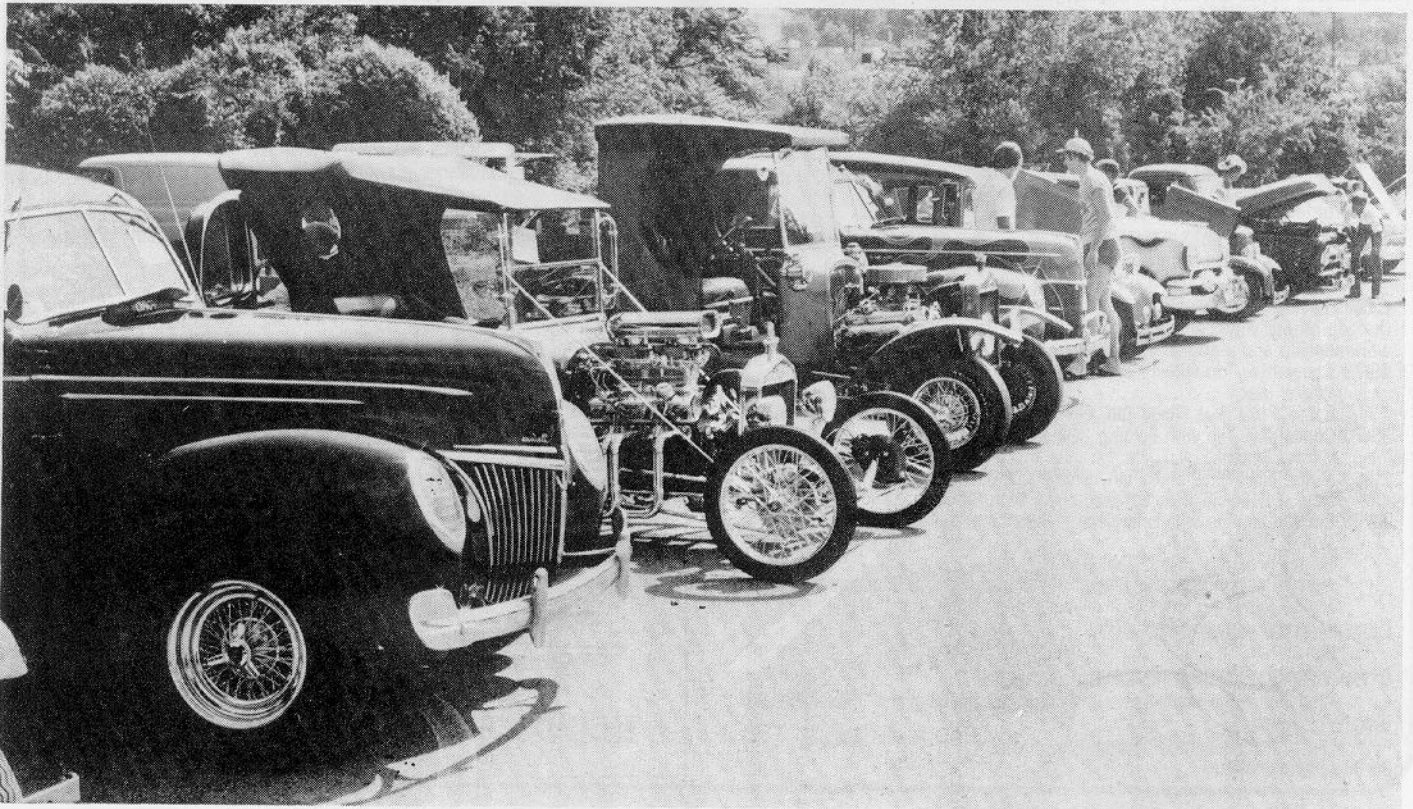

Nothing describes our Ford, Lincoln-Mercury, High Performance and Special Interest Auto Show better than FANTASTIC! Over 100 cars came rolling in on this beautiful Saturday morning at Harding Mall in Nashville. We had everything from a 1982 LN7 dating back to a 1917 C-cab truck. Of course, we don't want to fail to mention the 56 Mustangs we managed to round up for the day.

This was a great show for the Ford/Lincoln-Mercury enthusiast, because there was something for everyone to enjoy. And if it was parts you were looking for, I'm sure they could be found at one of the 13 vendor booths.

Sponsored by our local Ford and Lincoln-Mercury dealerships, we had 14 classes with trophies being awarded for 1st, 2nd, and 3rd place in each class. Congratulations to club member Mike Daniels who received the Best of Show trophy with his 1969 Shelby.

Many of our members worked toward this show, but I think I speak for everyone in the Music City Mustang Club when I give a special “thank-you” to Gary Alsobrooks and Wanda Bridges for their determination and hard work in making this show the success it was.
