

"Wonder if he bites?"

FIRST PENNSYLVANIA MUSTANG CLUB

Presents

THE COOPERSBURG SHOW

August 22, 1982

On a beautiful, sunny day in August, First Pennsylvania Mustang Club held its annual Collector Car Show & Flea Market. We had a fantastic turnout of 501 collector cars, 157 of them were Mustangs. Also at the Show were trucks, beautiful antiques, twenty Senior Cars and even a fire engine. Our aim in holding a show is to have something for every member of the family. So, to please the men, there was a car flea market; for the ladies, a household flea market; and for the children, the use of the park pool.
