

Tri State of Cincinnati's First Annual Mustang Display.

Tri State's First Show Attracts 100+ Mustangs

Tri State Mustang, Midwest Region, was formed in July, 1981, by five MCA members. With an additional seven members and the help of some very understanding and hard working wives, in September we held our First Annual Mustang Display.

To say the least, it was a huge success. More than 100 cars — all years and all body styles — were on display. Parts were swapped and stories told. Everyone had a great time.

We already have high expectations for next year. Along with quite a few more events already being planned for early spring, a membership drive will take place at the Cavalcade of Customs. The show is in Cincinnati, Feb. 12-14. Our club has four cars entered, and we hope to recruit many new members.

Central Illinois Regional Chapter

The year 1981 was again very successful for the Central Illinois Regional Chapter. Totally, the group won 86 trophies, including one national and three grand national trophies, including one national and three grand national trophies. Members attended a total of sixteen car shows during the year.

By a point system which the club devised at the beginning of this past year, members were awarded trophies for Car and

Congratulations to all the above members, and thank you to the remainder of the club members. Thanks to all of you, this club is extremely successful and competitive — not to mention fun and good-spirited.

The officers are looking forward to the 1982 show season. Hopefully, we will maintain the victorious club we have become.

Our January 12 meeting was opened by president Kandi Columbo. Despite temperatures in the teens, we had 29 loyal Mustangers in attendance. Thank heavens for the fireplace, or we might have been frozen till the April meeting!

The various committees are hard at work planning the Liberty Bell Grand Nationals. Four of the committee women met with Stouffer's Valley Forge to arrange the various social activities. Fred Glazier and Dale Bowes bravely went out in twelve degree weather to measure the parking lot. Advertising plans are being drawn up and should be done shortly.

Our spring tour will be held on May 16. We will tour the covered bridges in Bucks County. A starting point has not been named.

Matt Spittel did not have much to report on our local Coopersburg show scheduled for August. He is looking into the realignment of some of the larger classes.

A form will be put in the next newsletter so that we can send our DSO numbers to Jim Smart. We encouraged all our members to cooperate.

A thank you to Matt Spittel for giving the members a demonstration on recovering a bucket seat. (Especially since it was my bucket seat).

First Piedmont Regional Group

The First Piedmont Regional Group elected officers at the January 10 meeting. They are Marion J. Hall of Lawsonville,

N.C., president; Denny Alley, Lawsonville, vice president; secretary and treasurer is Dennis S. Alley, Sr. of Danbury, N.C.

Our Board of Directors is as follows: Eddie Harbour, William Tatum, Dean Goad, all of Stuart, Va.; Gray Tucker of Westfield, N.C., Reggie B. Mayhew of Collinsville, Va.

Our president, Marion Hall, also holds 32° in the Winston Salem Masons, Scottish Rite Body, has 31 years' service with the North Carolina Department of Transportation, and owns two fine, well-restored Mustangs.

In five degree weather, with a chill factor of 55 degrees below zero, twelve of our sixteen members attended our January 10 meeting. We plan to meet at the Coffee Break operated by our vice president, and we plan our next club meeting for March 14.

Secretary and Treasurer

Northeast Pennsylvania Regional Group

At the December 6 meeting, it was mentioned that everyone who does not belong to the National Club should join in now. Dave read the national minutes, and our name was mentioned that we got our charter. Bills for the month were submitted, voted on and approved.

Jim volunteered to make copies of the fliers and to help Roy with the newsletter. Wyoming Valley Mall was discussed as a meeting place and will be looked into. Clem showed us samples of the jackets and hats which will be sold by our group. Each member will receive a club shirt when the 1982 dues are paid. After discussion on a color, white was voted on and approved.

The road rally will be in June, and Art, Bill, and Dave will be in charge of it. A poker rally was voted on and approved. We sold tickets for a 50/50 drawing and Chris won. The meeting was then adjourned.

Our Christmas party was held on December 19 at the Steeles Frontier Restaurant, and 22 members showed up for it. A home style meal was served, and tickets were drawn for the door prizes that were donated by the National Club. Everyone had a good time.

The first meeting of 1982 was called to order by president Rich Riley.

Officers for 1982 will be the same as last year with the

exception of secretary. Charles Van Leuven was voted on and accepted as newsletter secretary.

Dues for 1982 were lowered, due to increasing membership. A committee was formed for monthly programs, dealing with problems and pointers to help members with restoration

and car care. A committee was also formed to schedule upcoming events.

There will be a booth at the Atlantic City Car Show on February 12, 13 & 14 for all members who have parts to sell.
