

MY PONY belongs to the 1966 convertible of Robert and Gretchen Myers of Westlake, Ohio, and **70 MACH** belongs to their (you guessed it!) 1970 MACH1. **OK-PONY** is Jimmy Cook's of Claremore, Oklahoma; he says, "Oklahoma is OK, so is Oklahoma Mustang Pony." **68STNG** refers to John Lauck's 1968 convertible; he's from Houston. Les Bowers' 1968 coupe boasts **PONY 1** to all Wilmington, Delaware admirers.
