

we're proud

... as we can be, we finally are settled in our new California store. Uncle John finally escaped from midwest winters and Mike became a convert, too. They'll give you that good Hoosier Hospitality, but with a California smile on their face—never fear though, Fred and the gang are still braving the cold to give you the same service you have enjoyed in the past from our Indiana store. You'll be the winner, order your Mustang parts and supplies from either store. We're shipping daily from our large inventory and are constantly developing new parts and accessories, as well as staying in touch with the best sources. We're offering **FREE SHIPPING** as usual on UPS orders over \$200 from either store. **Remember:** it all boils down to having what you want in stock, giving good service on your order, quick shipment, and a good return policy. We strive to be dependable with your money and car. Ask any one of our customers, and then call us, we'll work hard at pleasing you! Catalog \$2, free with order or when visiting either store!
