

Eastern North Carolina Holds 2nd Annual Show

July 10th was Mustang Day in Cary, NC and at Cary Village Mall. A total of 78 Mustangs were displayed for show and/or sale, along with about ten parts vendors. This was the Second Annual Mustang Show for the Eastern NC Regional Group, and we doubled the number of cars that were entered last year. The merchants at the mall were very pleased with the crowd that we drew and have invited us back next year.

We had thirteen classes with first, second, and third place trophies in each and an overall Best of Show Trophy.
