

I am happy to announce the 1984 Mustang Club of America National shows. We will start out on May 4, 5, and 6 in Dallas, Texas at the Southwest National. From Dallas

we will travel to Memphis, Tennessee on June 1, 2, and 3 for the Mid South National and in July to Birmingham, Alabama for the Dixie National July 6, 7, and 8. From there we go to Kingsport, Tennessee on August 10, 11, and 12 for the 1984 Grand National show and then sometime in October, we will be in Columbia, South Carolina for a fall show. It is our hope that with five National shows spread out over five months that more of our members can plan to attend at least one of our shows next year. Also, if there still is not a show in your area, it is never too soon to contact National Headquarters about hosting a show in 1985.

On another note, the MCA is proud to offer to our members our first official Mustang Club of America calendar. The calendar features 12 former cover cars in full color. Better order now to insure you get one. For ordering information see the ad on page 10.

At this time I would like to welcome our newest regional group, the Texas Classic Mustangs from Columbus, Texas. I'm sure we will be hearing more from them in the future.

Eastern Mustang Specialty
