

# PRESIDENT'S COLUMN

October 31st signals the end to our 1983 membership drive. As of October 21st, 36 of our regional groups have participated in the program. A total of 226 new members

have been submitted by these groups and we have rebated each group \$5.00 for each of these new members. I would like to thank each of the groups who participated and hopefully we can repeat this program next year. The Mustang Club of Southeastern Michigan submitted 27 new applications which was the most from any one group.

On December 1st Brenda Wilson will take over as our new Office Manager. She will be handling the telephone calls, mail, and day to day business of the Club the same as Teresa has done for the past 2½ years. I am sure that all of you that have occasion to call will enjoy working with Brenda.

From myself and Teresa we wish all our members a safe and Happy Holiday season.

*Bob Vickery*

**Wilmot & Finnegan  
Vintage Mustangs  
Atlanta, GA  
(404) 455-9402**

Exact reproduction of the 1966 Mustang fuel line bracket. This is our second production run if you missed it the first time around. MCA approved. Why miss out on valuable points in shows over a \$10.00 item?

Our new location has 5,000 sq. ft. to serve your every Mustang need. We buy, sell and trade Mustangs and Mustang parts.

With 30 years combined experience, we can put your Mustang or Shelby back bone-stock or transform it into a pavement-eating monster! Give us a shot. You won't regret it.

## Change in Careers

Dear Friends,

I would like to take this opportunity to announce that I am giving up the position of Office Manager on November 30th. Bob and I are expecting our first baby in early February so I guess you could say I'm changing careers.

I have served as Office Manager for 2½ years and have found the job to be both challenging and a lot of fun. I have talked with and met many, many, wonderful people in this club. It certainly has been a pleasure working with everyone.

When the National Headquarters office was first established no one knew exactly what the job of Office Manager would consist of. Well, it ended up consisting of everything. The Office Manager answers the club phone, sorts the weekly mail, works with the computer service on the memberships, forwards the membership dues to the Treasurer, answers questions on just about everything you can think of, sends supplies to the regional groups, mails out applications and sample issues of the magazines, works with the editors on the magazine, helps the President with correspondence and many, many other things. Boy, have I learned a lot in 2½ years!

Brenda Wilson will be taking over this job. Some of you may remember that Brenda was our National Secretary in 1980. Brenda and husband Jim have been MCA members for several years.

I'm sure all of you will show Brenda the same courtesy and cooperation you have always shown me. I know Brenda will bring us several new ideas along the way and will hopefully improve on what I have started.

I will probably see most of you at our National shows in 1984. Instead of showing my Mustang I'll probably be showing off the baby. (You know how new parents are!)

Teresa Vickery

## National Show Judging Sheets

All judging sheets from the Southern National and the Sunsphere Grand National will be destroyed after November 30, 1983. Please get your request in as soon as possible.

## Back On Track

The Club has been concerned that the *Mustang Times* has been late the last couple of months, and hope our changes will eliminate this in the future.

The first change was to have Club members take over the mailing of the magazine. Even though this resulted in post office changes, we felt having someone knowledgeable and interested in the Club would expedite this procedure.

Second, we have increased our Editor's staff. This will enable us to meet our deadlines and have the magazine to the printers for a first of the month mailing.

The winter months are coming and show season is just about over. Now is the time to share your technical tips, unusual restoration or show stories, and just good old bragging with other Club members. The *Times* is a Club magazine, and it is important for members to share information and experiences with each other.

If you have an article, remember it must be received at Headquarters by the 5th of the month prior to the next issue date.

Let us hear from you!

## New Regional Group

Golden Circle Mustang Club

1857 Rugby Place  
Memphis, TN 38127

**WELCOME ABOARD!**

## SOMETHING NEW

Do you have a question of a technical nature, and you're just not sure about the answer? Ask us. Fred Glazier of Glazier's Mustang Barn is now assisting us with the technical information portion of our publication. Please send all questions directly to National Headquarters. Your answer will appear in an upcoming issue of *Mustang Times*.

## Computer Goof

Have you ever heard the saying "if anything can go wrong, it will go wrong"? Well, believe me it is true.

I have recently discovered through communications with several members that our Roster, Volume 4 is not accurate. Several names have been omitted from various states. Apparently when the information was retrieved from the computer files, it (the computer)

skipped over several names in several states. At the time the Roster was printed we were unaware of the error.

For those of you whose names were omitted from the Roster, please accept our apologies. We hope to eliminate this type error in the future.

Teresa Vickery  
Office Manager

## CLOCK REPAIR

Enjoy a clock that looks and works like new. Send your Mustang clock to us for the finest clock repair service. Most clocks \$28 plus \$2 shipping. Mustang clocks available for sale.

*Clock guaranteed for one year.*
