

# PRESIDENT'S COLUMN

This is the time of year when that burning desire to show off our Mustangs strikes all Mustang enthusiasts and, luckily, the show season has now arrived. This year the shows will probably be bigger and better than ever.

The first of our two National shows, the Southern National hosted by the Mississippi Coast Stangers, is scheduled for June 17, 18, and 19, 1983, in Biloxi, Mississippi. The second National show is the Sunsphere Grand National hosted by the Volunteer Regional Group, scheduled for August 5, 6, and 7, 1983, in Knoxville, Tennessee. The most interesting fact about both these shows is that they are indoor shows. These will be the first National shows held indoors.

No more worries about 90+ degree weather, rain, mud, dirt, etc., that have always accompanied our previous shows. Now we will be blessed with air conditioning, mud and dirt free surroundings, and many other pleasant benefits. Along with all the benefits, there will be numerous changes from our past shows. The hosting groups will have some restrictions and requirements of which we must all be aware. Please read the show entry forms and all related materials very carefully.

There are two important things to keep in mind. One, as the shows are indoors, there will be limited space available for cars and vendors, so get your entry form in as soon as possible. These forms will, of course, be in the *Mustang Times*. The other thing to keep in mind is the fact that the hosting groups will be charging admission to the public at these shows. This means that the show cars must remain in place during certain hours. After all, we want non-club members to see what they're missing.

I'm sure the Mississippi Coast Stangers and the Volunteer Regional Group will do everything possible to make these shows the best ever. In order for these shows to be complete successes, the groups need our support and participation. If you have not had the opportunity to attend a nationally

sanctioned show in the past, make a special effort to attend one or both of these shows whether you come alone

or are accompanied by your Mustang. Not only will you see Mustangs of all

## SPOIL YOURSELF!

We now have the rear wing spoilers that were originally optional equipment on all '69-73 SportsRoof models. When mounted, these are identical to the Ford unit; the only difference is the pedestals - the Ford pieces are hollow, ours are solid, unnoticeable with the spoiler on the car. Call for prices, specifying 1969-70 or 1971-73
