## **REGIONAL GROUP NEWS**

#### Mustang Owners Club of Southeastern Michigan

The club closed out the winter season with a terrific second annual Atchison Ford swap meet. Over 1200 paying visitors swarmed to find those needed parts to finish off their winter projects. Another round of applause for Dave Himes, Show Chairman, and the many club members that dedicated many hours to make it work.

We'll be back at Atchison's May 21-22 for a two-day show and swap meet, indoors and outside. Plenty of space. For information, call Dave Himes, (313) 348-7549.

Of the six members in the World of Customs Auto Show in Detroit March 25-27, three took home trophies. Best in Show paint job to Jeff Matauch, 1st place in his category to Ron Wahl, and 2nd Place to Gary Pietraniec in his class. Ron's winner was a '72 Sprint convertible, Gary's was a '66 coupe, and Jeff's paint job was on a Chevelle SS. Congratulations!

It's going to be an even busier year this year than last. Dave's keeping us busy, and the club members are responding with enthusiasm and assistance. Let's keep it up, gang! Also, we should recognize that the female part of the club more than "comes along," but pitches right in with as much enthusiasm as the males.

As a family club, we're planning a club picnic August 13. It'll be an all-day affair at Mayberry State Park, with children and adult games. Also there's an animal feeding and petting farm in the park. Should be another fun happening.

Our March meeting was called to order with 37 members present, our largest turnout yet. Subjects discussed consisted of some new additions to our club newsletter. Our president, Norb Hodgson, will be writing a feature article each month, as will our National Director be reporting on news from National Headquarters.

On April 17, we toured the Mon-Valley area to Brownsville for a visit to a Castle. Steve Slutzker was our photographer for this event.

We also had a very informative seminar on upholstery by Rich Henning from Coach Craft.

The club wishes to thank all who took the time to come out and support our club. Our club will be holding its second annual Mustang Car Show on May 21 at Sloan Motors in Exton.

Our Car Show will continue to be judged because we feel this will be to the advantage of all Mustang owners who take the time, work, and love to restore their cars to original condition.

At our March meeting we also held a mini-parts sale which was a lot of fun and very successful.

The Saucon Valley Living Memorial Park is in the process of purchasing a permanent sound system to be used at our annual show. Last year there were problems, and not everyone heard all the announcements. We hope to alleviate the problem this year.

By a vote of almost 3 to 1, it was decided by a poll of the membership to have "Owners Balloting" at the Coopersburg Show. The problems of getting enough qualified judges on all makes of antique and classic cars were too numerous to mention, and we feel this was a way to make it fair to everyone.

Committee persons for our annual car show and flea market are bake sale, Janice Kulikowski; head judge for counting ballots, Ken Mosby, 50-50 sale, Scott Witson; parking, Jack Sunderland; flea market, Fred Glazier; co-chairmen, Linda and Dale Bowes.
