

With most of our thoughts turning to summer fun and activities I can't help but notice all the Mustang shows springing up everywhere. We just returned from a spectacular Southern National Show in Biloxi, Mississippi hosted by the Mississippi Coast Mustang Club. All I can say is that if you missed this one you really missed a good time. With the motel and coliseum right on the beach, it was a super weekend for all who attended. But that's all I'm going to say for now. Next month you will see in the *Mustang Times* what you missed.

Most of our members must settle for attending shows that are close to home. It is unfortunate that the National shows cannot be spread out a bit more than in the past. We are doing everything we can to this end. We have advertised in *Mustang Times* that show petitions are available to any group who wishes to petition for a National show. If you have never been to a National show you can't imagine what a great time you are missing. The cars are some of the best in the country bar none. The people are some of the most hospitable that you will ever meet and everyone has a good time.

We attract a larger number of people at the shows who just come to have a good time and don't even bring a Mustang to show. But I must say it's exciting to be able to participate in a National show. If you haven't made plans to attend the Sunsphere Grand National in Knoxville you had better hurry. I'm sure the Volunteer Regional Group has another great show planned for all of us. So come one, come all to Knoxville and let's make this one a show to remember.
