

Where has the year gone? Seems like only yesterday that myself and Head Judge Bill Dillard were off to Dallas, Texas for the first of five National shows the MCA

sponsored this year. I would like to thank Bill Dillard for a fine job this year in overseeing the judging at these shows. His job is a tough one, but one he has done a fine job at the last two years.

The shows may be over but our attention will turn to new ideas and programs to be discussed and implemented during the coming year. Also is it not too early to be making plans for the first show next year in March which is only four months away.

The 1985 MCA calendar is on sale now through MCA Accessories. Just like last year there is a limited quantity so get yours now and don't be left out. Also they make great Christmas gifts as do many of our accessories, but don't wait until the last minute to order.

Here's wishing you and your family an enjoyable and safe Thanksgiving.

MCA Trophies

Again this year the MCA has a special trophy available for any of our regional groups hosting a regional show. These trophies are very attractive carrying the MCA logo and can be used for Best of Show, Most Original, or any award the group chooses.

To request a trophy for your group, send your name and address (no post office box numbers, please) along with the name and date of the show to National Headquarters. Please allow a minimum of 4 weeks for shipping and handling. All trophies will be delivered by UPS.

1964½ thru 1973? 1985?

At the September meeting of the Mustang Club of America's Board of Directors the Board discussed the possibility of amending the current Club by-laws to accept the 1974 through current model year Mustangs into the Mustang Club of America. The Board feels that many of our members have later models of the Mustang and the Club gets quite a few inquiries each month as to the possibility of taking the later model cars. The Board wants your view on this subject before any further action is taken. While we know that we are polling possibly a biased group that is prone to lean to the early cars, the Club will continue to cater more to the early cars just as we always have.

If you have a comment on this subject please write to MCA Board of Directors, P.O. Box 447, Lithonia, GA 30058.

Do you have a question of a technical nature, and you're just not sure about the answer? Ask us. Fred Glazier of Glazier's Mustang Barn is now assisting us with the technical information portion of our publication. Please send all questions directly to National Headquarters. Your answer will appear in an upcoming issue of Mustang Times.

Two new Regional Groups were granted MCA Charters at the September Board of Directors Meeting. Mid Ohio Valley Mustang Club puts the Mustang Club of America on the map in West Virginia. The Southeastern Virginia Mustang Club brings the MCA up to four Regional Groups in Virginia. WELCOME!

And a much belated WELCOME to the Central Virginia Mustang Club MCA. Sorry for the delay. All new Regional Groups will be added to the map and listings in January, 1985. - Editor
