

NEW FOG LIGHT KIT

If your 1965 to 1966 Mustang GT has had its fog lights "punched out," or, if you are upgrading your Mustang to GT trim, Larry's can help. Our GT Grille Bar & Fog Lamp kit will shed some light on the subject.

Our kit, an exclusive Larry's reproduction, is an exact replica of the original. Since FoMoCo no longer manufactures these parts, Larry's is the only real source for your classic Mus-

tang GT Fog Light assembly. The kit includes one set of our exact die cast chrome light bars and original — style fluted fog lamps as well as two electrical pigtails for easy installation.

The kit is specifically designed for the 1965 and 1966 Mustang GTs and carries a suggested retail of \$189.95.

So, if you are restoring, repairing or just upgrading your 1965 to 1966 Mustang, let Larry's shed some light on

the subject. Whether it is our Fog Light Kit or any of our thousands of Mustang parts — as the industry leader in Mustang restoration parts, Larry's has what you need.

MUSTANG SOUND

A new line of Pioneer, Kenwood, and Sanyo AM/FM cassette stereos has been announced by Mustang Sound. These units are modified and guaranteed to fit original '65 and '66 Mustang dash openings. Five models are available with speaker assemblies, original radio knobs, and door grilles. Units are pre-wired to plug into original wire looms, and include specific installation instructions. Contact Mustang Sound, 300 E. Hermosa Dr., Fullerton, CA 92635.

Products listed in NEW PRODUCTS are those which the *Mustang Times* Staff feel are of interest to Mustang Club of America members. All specifications or claims are supplied by the manufacturers or sellers, who bear responsibility for their accuracy. This listing is provided as a free service, and Mustang products vendors are invited to submit information and black and white photos for consideration.

RACING PISTONS

Boss Racing Pistons announces the availability of their new Ford Boss 302/351C Custom Racing Piston. This Ross design is the first new forging in the industry in several years.
