

I hope everyone is looking forward to a joyous holiday season. While December means Christmas and all that goes with it, it also marks the end of my second term as President of the MCA. At the October Board meeting I informed the Board of Directors that two years of National Head Judge followed by two years being President was certainly a lot of fun but I would not be able to return as President for another year.

The offices I have held have afforded me many opportunities over the last four years to represent the MCA both locally and throughout the many states where we have held shows. It has truly been a pleasure and an honor to serve such a fine organization as the MCA. Over the last year I have been interviewed on the radio at the show in Dal-

las, have been on a locally produced TV show in Atlanta, and have met many Ford Motor Company representatives this year at the National shows. Last year I was fortunate enough to represent the Club at our first two indoor shows.

So along with a certain amount of work also came a lot of enjoyment, so as I bid you farewell and wish you all the happiest of holidays I hope my successor can enjoy his work as much as I have.
