

REGIONAL GROUP NEWS

Eastern North Carolina Regional Group

We accomplished much at our first meeting of the year. Ray Whitley was elected as our national director. The club decided to submit an application for a 1985 National event.

The members suggested names for our monthly newsletter, to go along with the new format. The name "The Pony Express" was overwhelmingly selected. We will be featuring our new club members and their cars in the newsletter.

Our 1984 show will be held at Cary Village Mall on June 15-16. A show committee was nominated to organize the event. National judging rules will be used again this year. Club members who would like to help with the show, or people wanting more information should contact Randy K. Daniels, 801 Madison Ave., Cary, NC 27511. Last year's show was a big success with about 100 cars participating, and we're working to make this year's even better!

Secretary

Centre Region Mustang Club

On January 29, 1984 The Centre Region Mustang Club held their annual elections meeting. A new Board of Directors and Officers were elected. Fund raisers were discussed in order to promote this summer's upcoming car show & activities. The fourth annual Centre Region Mustang Club car show will be held on July 8, 1984 at Huston Ford Motor Company on Route 22 East, Huntingdon, PA.

Special thanks was given to active member Jerry Hile for building a beautiful Charter Display Case which was put on exhibit in the showroom at Huston Ford. Our club is looking bigger and better in the 1984 year. See you at the shows.

Mustelby Mustang Club

The Mustelby Mustang Club had its monthly meeting on January 15, 1984. Richard Graham, president, opened the meeting and the minutes of our previous meeting were read and approved.

We had four members present and three guests. One of our guests joined the club since he had attended six or seven meetings previously. Another guest was Doug Myers with the American Cancer Society of the Roanoke Valley.

We discussed plans for our car show which will be held on July 14, 1984 at the Roanoke Civic Center parking lot. Doug said the American Cancer Society will sponsor us in our show this year. All proceeds will go to this worthy organization. We are beginning work on this now and really anticipate a great turn out. More details as they develop.

We ask the Mustang Club of America to donate a trophy if possible. Our plans for awards and trophies have not been decided on as yet. Any suggestions or ideas to help make this a real success will be welcomed. The trophy can be sent to my home address as I do get deliveries from U.P.S.

A special meeting is being held on January 29 in order to get things organized for the show. Our next monthly meeting will be February 19, 1984. Meeting was adjourned at 5:00.
