

Gulf Coast Regional's Annual Mustang Round-Up

The Gulf Coast Regional Group's 5th annual Mustang show was once again blessed with a warm sunny weekend. While the Eastern half of the country was generally cold and wet, the 118 show cars, the 30 pony corral cars and the 15 or so vendors were enjoying a typical Florida weekend.

Friday night the group hosted a fish fry serving some 300 guests fresh fish caught that same day. While the fish was excellent, the desert table had 15 or 20 cakes, cookies and the like which attracted everyone with a sweet tooth.

Saturday everyone cleaned on their car and then took it across the highway to Key Ford where the show has been held for the last two years. There was a good selection of cars for inspection with most all years and models represented. While we made the rounds looking at all the fine cars, the judges were hard at work all afternoon trying to pick all the winners. The show ended promptly at 5:00 p.m. and was followed by an awards banquet at 7:30 p.m. where all the winners were awarded their plaques.

Congratulations, Winners!

The Gulf Coast Regional Mustang Club also raffled off a 1964½ black Mustang convertible and the winner was drawn right after the awards presentation. The Club would like to congratulate Ken Hatfield of Gilbert, West Virginia who won the beautiful convertible and everyone who helped their annual raffle. The proceeds from the car went to the Ronald McDonald House and to the Hadji Shrine Temple Fund in Pensacola.

Bob McNeal, Ralph Thacker, Paul and Vivian McClain, Keith and Dixie Meador, Wayne and Sonja Blackwood and the rest of the Gulf Coast group made this an enjoyable weekend in Florida for all those in attendance.
