

REGIONAL GROUP NEWS

Shenandoah Valley Mustang Club

Time is getting close for our Car Show at GW Motors. You may bring your cars in Friday night, March 9th beginning about 9:00 p.m. Clean-up of the garage will begin about 5:00 p.m. so if you can help, please come out. Registration will take place either Friday night or Saturday morning. Rick would like to see all cars registered by 9:00 a.m. Saturday morning. Don't forget, registration fees are \$6.00 each which pays for the dash plaque and other expenses of the show.

MEMBERS! We need money for our treasury so sell those chances. The drawing will take place Sunday afternoon at the end of the show. Pass the word around about the show. We have had good publicity so people are aware of what is going on. Dave Sandy is in charge of registration. If everyone shows, there should be around thirty cars exhibited during the two days. Each entry will receive a trophy, but the car must be there the full two days to get the trophy. **WILL SEE YOU AT THE SHOW!**

Congratulations to our new Shenandoah Valley Mustang Queen. Denise Funk is a senior at James Wood High School and is a member of the DECA Chapter. She is employed at Toney's Supermarket. Angie Rinker did a super job while representing the club this past year. A dedicated member who was always at the shows and did a wonderful job representing us at our different events. She will be continuing to be that special type of member who can be counted on to assist in all activities. **THANKS AGAIN, ANGIE!**

Our last meeting was well attended with a few old faithfuls not being there. Don't forget about our next meeting which will be on Sunday, March 25th at the Winchester Rescue Squad Building. We are still looking for new members and also some of our older members who have not renewed their membership. They are: Buddy Trenary and family, J. C. Black and family, Sharon Miller and Jay Huffman.

Angie Rinker and the gang had a good time at the skating party held recently. Hope that you were able to attend. The club really offers something for everyone. **KEEP ACTIVE!**

If anyone wants anything advertised in the newsletter, please let me know and I will be glad to put the information in. Cars, parts for sale, etc.

The monthly meeting of the Mustangs of Memphis was held March 13, 7:00 p.m. at Dobbs Ford.

The excitement is really building as our club is actively engaged in preparations to make our June National Show one to be remembered by all attending.

Twenty-two members were present at our last meeting and we accepted two new members. Members were encouraged to go out and sell ads for our show programs.

We held our monthly meeting on March 11, 1984 at The Coffee Break in Stuart, VA with 13 members present.

We made plans for our 5th Annual Mustang Rally and Swap Meet to be held at J. E. B. Stuart Ford in Stuart, VA; who will be the shows sponsor. The show will be centered around the Mustang's 20th Anniversary. There will be 37 people's choice trophies among 12 different classes with best of show and for longest distance traveled. We will be asking area merchants for donations to be given away as door prizes.

We then adjourned until our next meeting on April 8th at 2:30 p.m.

Georgia Regional MCA

The March, 1984 meeting was called to order by our president, Gail Ammans. The February minutes and treasury report was given by our secretary/treasurer, Ruth Ann Winchester.

The March meeting brought many enthusiastic new members after receiving our new monthly newsletter.

Our main topics were: May 4, 5, and 6 car show at the Perimeter Marriott, our 1984 Calendar of Events, and our April 1 joint show meeting with the Shelby Club.

Our Joint Mustang/Shelby Committee meeting will be April 1 at the Mountain Park Recreation Center. At this meeting we will discuss the Atlanta Roundup '84 Show, and pick a Prom Queen and her court. It is very important that each member and their family attend. (The age limit for Prom Queen and court are 8 to 18 years old.) Please bring a picture of your daughter to this meeting.

The Georgia Regional MCA ordered (50) fifty posters for club members of the Twentieth Anniversary Mustang.

At our February meeting our National Director Pat Vassallo gave the membership a Judging Quiz. We had a lot of fun and learned a lot more about Mustangs. Just when you think you know enough about Mustangs, something like this comes along to show how much more you need to know. Thanks, Pat for bringing us this interesting program.

Several times during the year our President ask all members to stand and give their name and the car they own. This enables members to get acquainted with each other. This has been a successful program.

At our meetings our President assigns two members to give car reports for the following months meeting. This has been working out quite well. Over the course of the year we have found many interesting and informative stories. Our members ponies have been through a lot, and we might say some wonderful changes. These ponies have been overhauled from street to roof — (or head to toe as it goes. He! He!). All of this work and love so they may once again be born, as they were off the assembly line in the beginning. So new and shiny, but most of all beautiful and so proud.

In December, we held our club's first Christmas party at the South Park Inn, where we elected officers for 1984. Those elected were Gene Hagerty for president, Gary Dillner for vice president, Donna Penkova for Secretary, and Dennis Becker for treasurer. In January the new officers appointed a new National Director to serve us during 1984, his name is Mike Flanders.

Current activities of the club include a membership drive at the Pittsburgh Convention Center, where we promoted our regional group as well as the National Organization, MCA. Plans are being formulated for our club's first car show to be held on July 22, 1984 at Jim McKain Ford in Wexford, PA.
