

# PRESIDENT'S COLUMN

I hope by now that everyone is warming up a little. Seems like winter wanted to hang around this year.

The event calendar keeps growing and growing. I

can't believe all the Mustang events around the country this year. But it is already time for our regional groups to be planning for next year's shows. The show petitions are due at National Headquarters on July 1st, 1984 for all groups wishing to host the 1985 Grand National show and August 1st, 1984 for all other National events. Remember, the only reason there has not been a National show in your area is because no one has petitioned for one.

Next, the MCA would like to officially kick-off our 1984 membership drive in May. This year we want each current member to have an opportunity to help us grow, so each member can get a "Legend Turns Twenty" T-shirt from

the Mustang club for signing up a new member on the application form on the inside of his or her magazine. These T-shirts will be specially designed for this promotion only and will not be given away or sold by MCA to anyone. Remember the *only* way to get one is to sign up a new member on your magazine form.

By now the first National show in Dallas will be over and we will be making plans for Memphis and the remaining shows on our calendar. Don't miss out on some of the best shows of the year.

*Bob Wosby*
