**WHAT:** Ford Motor Company's Mustang 20th Anniversary Jubilee.

**WHEN:** April 28 and 29, 1984

**WHERE:** Cal Expo, Sacramento, California

Six clubs and Ford Motor Company worked together to make the West Coast's largest Mustang show ever.

There were over 350 Mustangs entered in the show. Two hundred and fifty competed in concours judging. The remaining cars vied for Peoples Choice awards.

All cars were judged on Saturday. After close of Saturday's show, all the workers and representatives from Ford Motor Co. enjoyed a BBQ and dancing.

We learned that over 16,000 people had attended Saturday's show. The visitors parking lot had just as many Mustangs as the four exposition halls.

Sunday morning the best cars of each class were judged for Best of Show.

Another 10,000 people attended the Sunday display and awards ceremony.

All expenses for the show were paid for by Ford Motor Company. A \$5.00 entry fee was charged and those monies went to the California Highway Patrol's widows and orphans fund.

Many new friends were made and we all hope to do it again for Mustang's 25th Anniversary.
