

If you have been looking for that finishing touch for your 1965-1966 Mustang GT, your search is over. Larry's now offers an OEM-style GT exhaust tip.

Not only is this tip a faithful reproduction of the factory tip, it is available for 33% less than the factory piece. The tip is fashioned of highly polished stainless steel — featuring carefully

detailed louvers. In short, this tip is the best quality tip money can buy. Because it is stainless it resists rust. And, because it is from Larry's, you can be sure that is an exact duplicate of the original for only \$49.95 each.

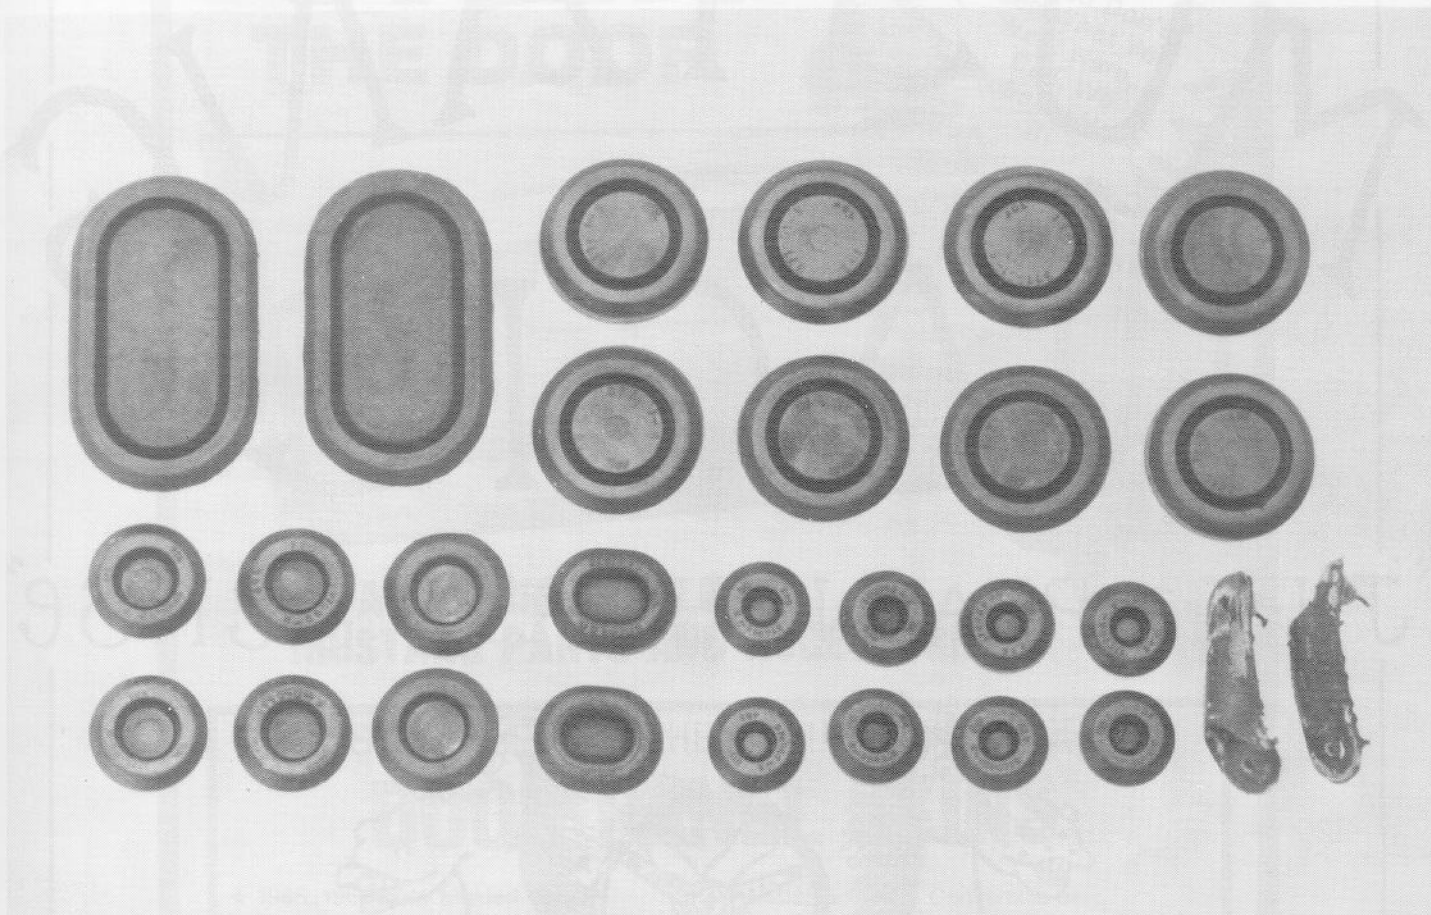

Carolina Mustang is now reproducing the carpet to seat track plate. These plates are stamped steel as original and painted black. They come in a kit of eight for \$9.95 plus tax & shipping. Dealer inquiries welcome. For more information contact Carolina Mustang Inc., 302 West Chatham Street, Cary, NC 27511 or phone 919-467-2900.
