EDITOR'S COLUMN

Hello! As new Editor of your *Mustang Times*, I suppose an introduction is in order.

My name is Tracy Harrell, and I am from Lilburn, Georgia. I have been a member of the Mustang Club of America since 1982, and am currently a member of the National Board of Directors, as well as Vice-President of the Georgia Regional Mustang Club of America.

Like all of the *Mustang Times* editors before me, I accepted this job with one purpose — to make the *Times* the best it can be. As my credentials I offer a little knowledge of the publishing business and a lot of interest in the subject matter — Mustangs and the people who own them.

I will do all I can to make the *Times* as entertaining and informative as it can be, but I will need help. Without every

member's ideas, comments, articles, letters and photos, there would be no *Mustang Times*.

In future issues I hope to include articles on judging qualification, photography, insurance, and just about anything else members ask for.

"a MUSTANG is for riding in the open!
a MUSTANG is for riding in to town!
a MUSTANG will cheer you when
you're moping!
'specially when the top is neatly
down!"

Ford promotional jingle, Spring 1964
