

NEW FLOOR PAN

Mustangs Unlimited has designed a new extended rear floor panel. The panel extends behind the front seat a full 21 inches. The original contour extends under the lip of the rear seat and above the seatbelt hole on the tunnel. This new extended rear panel should solve the problem of finding something to weld to on severely rotted vehicles. As with all Mustangs Unlimited sheetmetal, the new extended rear floor panel exactly duplicates the design of the original sheetmetal. The panels are constructed of heavy gauge cold rolled steel. For more information or for dealer inquiries contact Mustangs Unlimited, 21 Tolland Turnpike, Manchester, CT 06040. Inside CT (203) 647-1965, outside CT 1-800-243-7278.

REAR SPRINGS

NEW DECALS

American DP has announced that their new 1985 Official Racing Decal catalog is ready. The new catalog shows over 200 authentic Hi-Performance and Racing decals to choose from. Many new decals have been added, and some older ones are becoming true collector items. They also carry a complete line of Cap Patches, Demin Caps, Sun Shade Visors, Prism Decals, and other tack on accessories. Just send them \$1.00, and they will mail you the 1985 catalog, along with 3 sample decals. American DP, P.O. Box 12, Algonquin, IL 60102.
