

MUSTANG RUBBER STAMPS

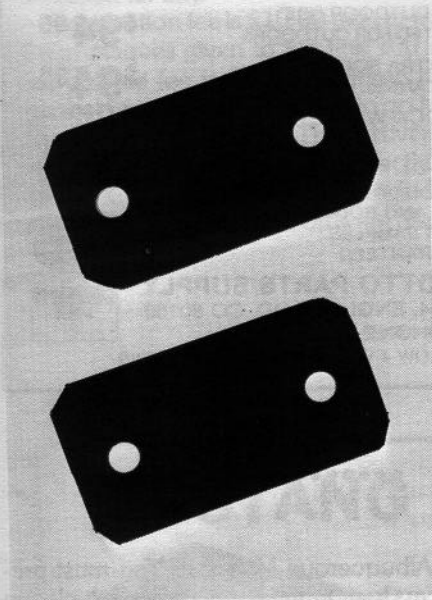

Carswell's Creations has just released three new Rubber Stamps for the Mustang enthusiast! Offered are a 64-66 Mustang Convertible, a 65-66 Mustang Fastback, and a Mustang Pony stamp. The Mustang car stamps are approximately 2½" long and retail for \$7.95 each, the Mustang Pony is

approximately 1" — retails for \$4.60 each. Prices include postage. Each stamp is made of high quality rubber — cushion mounted to a hardwood handle. The image is also indexed on top of handle for easy identification. All three stamps are perfect for designing stationery, bookmarks, even wrapping

paper! Stamp Pads are also available in 12 colors ranging from Hot Pink to Turquoise. For more information, or if you would like a copy of Carswell's catalog of auto-related goodies — send \$1.50 to: Carswell's Creations, 3476 Alward Road, Dept. MT, Pataskala, Ohio 43062.

SEAT SOLUTION

If you suffer from the aggravation of cracking seat back stops every time you reach for your wallet, Ken Essex has the answer to your problem. Ken is reproducing Stop Plates that are identical in size to the original. These stops are made from a very durable but flexible plastic which will not crack, chip or peel. Just \$2.50 plus \$.35 for postage and handling will get you a set from Ken Essex, 2006 Valley Road, Annapolis, MD 21401. Dealer inquiries welcome.

Semo Mustang is also reproducing the Boss 302 decklid prop rod, prebent fuel lines, and rev limiter wiring harness. Contact Semo Mustang at 20 N. Frederick, Cape Girardeau, MO 63701 (314) 335-8091.

Cobra Restorers

Cobra Restorers, Kennesaw, Georgia is pleased to announce three new additions to their product line.

The first, Carroll Shelby Motors license plate frames individualized for Cobra, GT 350, and GT 500. These frames, manufactured by Cobra Restorers are exact duplicates of the originals and are currently in stock for immediate shipment at \$4.95 each.

The second is something to love, hold and caress . . . steering wheels! They come in various sizes and styles available with the emblem of your choice and are the best available.

Finally, Cobra Restorers has the final touch for any Shelby or "competition look" vehicle . . . 3½" LeMans fuel filler with roller latch mechanism. These caps are exact reproductions of the originals used on Cobras, Gran Sports, McLarens, etc.

For any additional information on the above items contact Cobra Restorers at 3099 Carter Circle, Kennesaw, GA 30144 (404) 427-0020 or better yet send for their catalog — it's only \$3.00 (refundable on first order).
